NOTES 167

Abundance is more than money. Abundance is the flow of energy that comes to us from the universal source of life as both spiritual and material prosperity. Abundance is love and wisdom, talents and virtues, money and material goods—whatever we need to fulfill our life’s purpose.

Energy should be flowing freely to us and through us to materialize abundance. If we are not experiencing that flow of abundance, we have to ask ourselves why.

What is it within us or around us that is blocking prosperity?

What is blocking the flow of God’s energy to us?

This book can help you answer these questions. It contains keys for magnetizing the spiritual and material abundance you need. These keys are drawn from the profound writings of the master Saint Germain and from teachings my late husband, Mark, and I have given over the last forty years.

Saint Germain, who is an expert in the spiritual and physical transformation known as alchemy, writes:

“How long will you spend your energy struggling to eke out a bare existence from nature’s cupboard, which to some seems bare indeed, when all your needs can be met by mastering the cosmic laws that Jesus and other great teachers have demonstrated by their own lives?...

“With you—as with God—all things are possible.”

The possibilities for creative abundance are endless. I encourage you to explore them as you practice the simple techniques that follow to create your personal alchemy of abundance. And please send me your success stories—I would love to hear about your victories!

BE GRATEFUL FOR
EVERYTHING THAT
HAPPENS TO YOU

If the only prayer you say in your whole life is “thank you,” that would suffice. —Meister Eckhart

There is an inherent law of mind that we increase whatever we praise. The whole of creation responds to praise and is glad. —Charles Fillmore

Note: Because gender-neutral language can at times be cumbersome and confusing, we have used the pronouns *he* and *him* to refer to God or to the individual and *man* or *mankind* to refer to people in general. We have used these terms simply for readability and consistency. They are not intended to exclude women or the feminine aspect of God, for God is both masculine and feminine.

Praise God for the joy and beauty of his creation—not the least of which is the beauty of your own soul. Continually thank God for what you are and what

Creative Abundance

you have, and you will see how your abundance will increase.

AFFIRMATIONS:

Let God be magnified! (Ps. 70:4)

Let the LORD be magnified, which hath pleasure in the prosperity of his servant! (Ps. 35:27)

Be grateful to God for everything that happens to you. Everything—the negatives, the positives, the karma, the calamities—because they are teachers, they are lessons. And if things aren't going

Be Grateful for Everything

right, praise God for letting them go wrong to remind you that there is some adjustment you have to make in order to get on with your spiritual progress.

We are all on a path of initiation. Earth is a schoolroom, and we are intended to graduate from that schoolroom. The lessons we learn along life's way are what propel us from one grade to the next.

Yet isn't it true that we have all faced situations in life where we couldn't see a single reason why we should praise God? It is important to realize that anything coming at you—whether it's Mars or a Mack truck, whether it's your mother-in-law or your manager—is energy coming your way. Bless the messenger who delivers that bundle of energy and then take the energy out of the seemingly

negative matrix. Reclaim it and transmute it into something positive.

Don't wait until you have your full and final victory over life's challenges to be happy, to rejoice, to give praise and blessings to life. Praising God and being grateful every day is a key to the victory of your soul.

AFFIRMATIONS:

LORD, I do give thee thanks for the abundance that is mine.

In the name I AM THAT I AM, I AM expanding this day all that I have that is of God—through love, through praise, through thanksgiving!

Be Grateful for Everything

Praise God in everyone you meet. Try and give everyone you meet a positive spin. Give yourself the assignment to find something wonderful about every person you meet—then tell it to them. That something may be just what they need to lift them out of the doldrums or to dispel the sense that there is nothing really special about them. There *is* something special about everyone, and you can help them see what it is.

“This day, O Lord, I will give a positive spin to everyone you send me.” When you tell that to God, you're going to have the world beating a path to your doorway, because there are so many people who need that positive spin.
