IMPORTANT NOTE: The ascended masters do not recommend the
avoidance of established medical procedures. Nor do they recommend the
application of any healing technique without the advice and supervision of a
licensed health care practitioner. The masters encourage the prevention of
illness through natural methods, including a disciplined diet, exercise, fresh
air, a positive spiritual and mental attitude and wise health care in every
area of living. However, this is not a substitute for medication and the
proper medical care under a physician when needed.

Meet the Master

When the pupil is ready, the teacher appears.

There is a brotherhood of light—masterful beings who have graduated from earth’s schoolroom. These masters are wayshowers, guiding us on the path home to God. From the heaven-realm, they assist mankind in all fields of human endeavor, helping to raise the consciousness of earth.

Each master is also a teacher in search of a student, desiring to reach from beyond the veil to touch that one for the acceleration of their spiritual evolution. The *Meet the Master* series seeks to introduce the student to the master. ♣

Meet the Master Hilarion

Saint Hilarion was the fourth-century healer and hermit who founded monasticism in Palestine. He had previously been embodied as the apostle Paul, who, as Saul of Tarsus, met Jesus on the road to Damascus and was both blinded and later healed by the light of the Master Physician.

Saint Hilarion had the gift of healing in abundant measure, learned from the heart of his Saviour, Jesus. Toward the end of his life, he lived in the desert of Cyprus, having moved to this remote part of the world in order to escape the crowds who sought relief through the fountain of healing that flowed from him. But it was not possible for the “people’s saint,” as he was called, to evade the people—the multitudes followed him wherever he went. Finally his Lord taught him

that the gift of truth and healing is only for the sharing, for the giving away. And so he healed.

Today from the ascended realm, Hilarion continues his healing mission. As the master of healing and truth, he is accessible to all who desire healing, teaching the way of self-healing and the rules of healing not only of the body, but of the mind, soul and spirit. ✿

Who Are the Ascended Masters?

The ascended masters are our elder brothers and sisters on the spiritual path. Having balanced their karma and fulfilled their unique mission, they have graduated from earth's school-room and ascended back to God in the ritual known as the ascension.

These masters are a part of a vast brotherhood of spiritual beings and angelic hosts who work with mankind for the betterment of life on earth. The Great White Brotherhood is spoken of in chapter seven of the Book of Revelation as the great multitude of saints "clothed with white robes" who stand before the throne of God. (White refers not to race, but to the white light that is seen in the aura of the saints.)

These enlightened teachers have emerged from

all races and nationalities, from all walks of life and all religions. Many are familiar to us, having walked among us throughout the ages. Others are ancient beings of light, unrecorded in human history, whose names have long ago become secondary to the flames they bear. Whatever their origin in the vastness of our Father's universe, they all share a common light—a light they desire to share with mankind who are seeking the Truth they bear.

Among these saints are Gautama Buddha, Maitreya, Jesus Christ, Saint Germain, Moses, Melchizedek, Mother Mary, Saint Francis, Kuan Yin—and unnumbered and unnamed loving hearts, servants of humanity who have returned to the heart of God.

This Brotherhood works with earnest seekers and public servants of every race, religion and walk of life to assist humanity in their forward evolution. ♣

Who Is the Master Hilarion?

Hilarion is a master of healing and truth—he serves on the fifth of the seven rays of God. When we come into the knowledge of the ascended masters, we come into an awareness of defining the path back to the Source, and we find that it can be walked over seven rays of the Christ consciousness that emerge from the white light.

The Seven Rainbow Rays

The seven color rays are the natural division of the pure white light emanating from the heart of God as it descends through the prism of manifestation. These are the subdivisions of the wholeness of Christ. The seven rays are outlined as follows:

- (1) Blue—power and faith

- (2) Yellow—wisdom and illumination
- (3) Pink—love and beauty
- (4) White—ascendancy and purity
- (5) Green—science, healing and supply
- (6) Purple and gold—ministration and service
- (7) Violet—transmutation and diplomacy

Regardless of their color, all of the flames have a white-fire core of purity, which embodies all of the attributes of God and which may be invoked by those who desire to expand the Christ consciousness.

The seven rays present seven paths to individual or personal Christhood. Seven masters have mastered identity by walking these paths, defined as the seven archetypes of Christhood. These seven masters are called the chohans of the rays, which means lords of the rays. (*Chohan* is a Sanskrit term for “lord.”) To be a chohan on one of the seven rays means that through this master that energy of the Christ and of God flows to mankind, to all who are evolving on that particular path.

The chohans are the closest ascended masters

to those who would be chelas, or students, of the real gurus. The chohans function in planes of perfection, but these planes are simultaneously one with the Matter plane where we are. And so we can say that the chohans are here with us. There is a congruency of Spirit and Matter where we are, and we understand that time and space are but coordinates of infinity.

All of the chohans are teachers of mankind. Each of them opens a path of discipline that corresponds to the ray and chakra (spiritual center) that the master represents.

Chohan of the Fifth Ray

Hilarion is the chohan of the fifth ray of healing, wholeness, precipitation and Truth. This is the ray of green, which imbues all life with the perfect blend of the blue and the yellow—the faith and wisdom of God in nature. The eternal newness of the color green charges man with the fire of the sun and the fire of the power to create. The healing green restores man to the primal nature of God. The ray of green supplies man with every lack and is the color of abundance and supply.

This is the ray of doctors, scientists, healers, musicians, mathematicians and those consecrated to Truth in all its forms. Hilarion works with all of these, and he can assist us in drawing down the abundance that we need to fulfill our mission in life. He also assists us in developing truth or clarity in spiritual vision.

Raphael and Mother Mary are the archangel and archeia, and Cyclopea and Virginia are the Elohim of the fifth ray, which is also called the emerald ray.

The Third-Eye Chakra

The third eye is the spiritual center or chakra associated with the fifth ray of healing and wholeness. It is located in the center of the forehead. Here we experience God as concentration as we focus and visualize through the mind's eye.

This is the chakra connected with vision, both spiritual and physical.

Through it we are intended to see God's creation as he sees it—pure and perfect. Through the right use of this power of vision, we can bring forth the best in ourselves and in others.

The prophet Ezekiel described the chakras as wheels within wheels. In the East, the chakras are called lotuses because when viewed from the spiritual realm, they appear as a flower unfolding. Each chakra has a certain color and a certain number of petals that establishes its frequency or vibration. The third-eye chakra is emerald green and has ninety-six petals.

Rightfully used the energy of this spiritual center will bring forth the positive expressions of healing, truth, vision, abundance and constancy. Unbalanced expressions produce falsehood, lack of vision, lack of clarity and mental criticism.

Hilarion is the master who works with us to perfect and master this spiritual center. ♣

HILARION

the Healer

The missionary journeys of the Apostle Paul changed the course of history. But what history does not record is that Paul returned for one more life as the great mystic and miracle-worker Saint Hilarion.

Walking in the footsteps of Jesus, Hilarion also cast out devils, healed the sick, raised the dead—and finally had to flee to the wilderness to escape the crowds that thronged around him.

Hilarion ascended at the conclusion of that life and now guides and inspires scientists, healers, doctors, musicians and all those dedicated to the flame of Truth. This book tells the amazing story of Hilarion's lives on earth and shares his keys for healing body, mind and soul.
